- **Wednesday 12 November**
  Opera Incursion Whole School
  1.45-3.00pm
- **Thursday 13 November**
  Australian Earth Science
  Years K—6

Dear Parents/Caregivers,

Welcome back to our forth and final term of 2025. It is not quite as busy as our previous terms, but is a happy term when we see the progress everyone has made and celebrate the end of another great year! I hope you all had a great holiday with your little ones and did lots of fun things. I became a great-gran so new and exciting times for me!

Survey Feedback: Thank you all the parents who completed the survey last term. Staff have now looked at the results and written feedback. It was pleasing to see how many people are happy with our little school and were very positive in their feedback. There were a couple of areas some parents would like to see up improve in. One was the Connect class notices to be sent out on a consistent basis from all class rooms. The staff discussed this at our meeting on the first Monday and have made a commitment to send their class news out on a fortnightly basis. All teachers will also send home an overview of what will be covered this term in their class. There is always the opportunity for parents to add further comments on the Connect page, which we would welcome.

The students from Years 3 to 6 also completed a survey with their class teachers. All the students were very positive about their school, class, teachers and friends and they also had the opportunity to add comments about what they liked, and things that could be improved. We have taken all feedback and looked at these things in an Action Plan to work on together as a staff. We will also be asking for more feedback from the students to clarify some of the feedback received. We received one comment which I think sums up the ethos of Belmont Primary School.....*Our school is a multi-cultural institution where our staff and principal respect every race, religion, culture and traditions. Another addition is our school has a small number of students despite it being a public school, meaning each of us are recognised better."*

I will be going through both surveys and the Action Plans at the School Council meeting set for Thursday, 27th November, where all community members are welcome to attend, and where further feedback and comments can be given. The meeting will be held in Room 6 and will start at 1:30pm—please feel welcome to join us at this meeting.

End of Year Concert and Awards Presentation: As an early warning, and so you can arrange for some time from work, we will be holding our end-of-year concert on Friday, 12th December, starting at 9:00am. It will run for about 1 hour with items from each class, songs from our Choir and class room awards. Please put it in your diary now as we would love to see you all there.

Dress Up Days: There will not be as many this term—with our first one being Halloween on the 31st October. This, by coincidence, is also World Teachers' Day!!! The other dress-up could be for the concert night but teachers will let you know what is required before then.

ROLA—more information coming soon—we are just finalizing nominations from each year level. Stay tuned!

Until next time stay safe and happy.,.....Stephanne Dann!
