Reports Home

Dear Parents/Caregivers,

I always seem to get to this time in our term and ask “where has the time gone?” With only 3 weeks to go, reports to send out and still more events planned, time just seems to be flying by.

Assembly—Friday, 13th June—9:00am. This assembly was run by the Kindy / Pre-Primary students with assistance from our Student Councillors. It was the first time that they were in the “spotlight” for this term but I know that they have been practicing hard and will be awesome. Class visits took place following the assembly—a 15 minute opportunity to chat with your child and see some of the work they have been doing. I hope you are enjoying these visits.

Pyjama Day: Friday 13th June—Come to school in your PJs and all the kids in theirs. This made for a cosy and relaxing day, and as one student wrote, “it will be helping melt away any little stresses and anxieties” - very thoughtful, Bella.

Police Pipe Band—Friday, 13th June—we were very privileged to have the Police Pipe Band visit us and put on a performance for all to enjoy. This took place at 10:15am with all students attending this performance. I’m sure the kids enjoyed listening to the bagpipes and learning how they work.

Reports: Teachers are busy finalizing 1st Semester reports which will be ready to post on Connect on Friday, 27th June. There will then be the opportunity to make an appointment to meet with the teacher to discuss any concerns you may have, or just to clarify how your child is going in the class.

These will be held on Monday, 30th June—Room 3 (8:45-11:45) and Room 1 (12:00-3:00pm), and Tuesday, 1st July—Room 4 (8:45-11:45) and Room 7 (12:00-3:00pm). They are only in 15 minute time slots and to accommodate all parents, could I please ask that you stick to that time allocation. Any further discussions you might like to have can be organised with the class teacher to coincide with their Specialist DOTT times. A Roster will be placed on the Library wall for you to put your name against a time slot. I look forward to seeing a lot of parents take this opportunity to have a chat with the teacher and work together for the benefit of your child. Remember with our reporting system that a “C” level means that they are performing at their grade level and progressing well.

End-of-Term Assembly: Our final assembly for 2nd term will be held on Friday, 27th June—9:00am start. This will be run by our Student Councillors and special Certificates will be presented to acknowledge the academic work done so far this year. All parents are welcome to attend.

Dance Program: This will start in Term 3—every Thursday for the 10 weeks, culminating in our Dance Spectacular Performance on Thursday, 25th September from 6:00pm-7:00pm. An Incursion form will be sent home at the end of this term. As it is a whole school program, linked to the Dance Curriculum, all students (K-Yr 6) are expected to participate. Thanks to all parents who have already paid for the dance lessons. Greatly appreciated.

3rd Term Planner—will be sent home at the end of this term for your planning. Until next time, stay warm and happy...Stephanne Dann!

Happy Birthdays in June

Library News

Belmont Primary School recently held their annual Scholastic Book Fair last week. We are pleased to say we sold **\$1137** worth of books. This money earns school points to use to purchase new resources for all the students to enjoy.

Leanne Daniels—Library Officer

Year 6 Councillors Visit to Parliament House Thursday 5th June

When we went to Parliament House it was a really interesting trip. We learned that the big, old building is where laws are made, It's like the heart of the State's Government.

Casey Rowe, MP, was super helpful and showed us around. We saw the rooms where politicians debate and vote on things. We also had some food, which was a really good surprise during our visit. It was great to see the different parts of WA come together to decide what is best for our State.

I learned that even though it looks fancy, it is a place where real work happens to help all of WA.

Bubs at the Hub

Enjoy rhymes, songs and stories with your baby and connect with other parents in your local community.

For families with children up to 2 years

This program will be held in the Children's Space, Ruth Faulkner Library. Books, rhymes and songs help babies and toddlers to develop early literacy skills and a love of language. We also provide puzzles and toys after each session encouraging families to chat, stay and play together.

Tickets are not required for this free program.
