Dear Parents/Caregivers,

**Assembly**—Congratulations to Room 3 and their teachers for starting this term off with an arousing "drumming" and singing performance—well done, everyone. It was also great to see you present the speaking parts as well—you are all so confident and your oral reading is excellent. Thank you to all the parents who attended this assembly—I'm sure you were all equally impressed.

Thank you to the parents who came and joined me for morning tea, along with Mrs Cleland. We will be looking at further opportunities to sit and have a cuppa and get to know each other a little better. I hope to see those numbers gradually increase with each event.

So far, it's been a fairly quiet start to the term, with everyone settled back into class routines and working beautifully in their work and behaviour. I love coming around to classes and seeing the great work your children are all doing—and the enthusiasm they are showing to always do their best. Thanks, kids!

We have a couple of fun activities coming up—I hope that everyone will take part—parents, teachers and other staff members, included.

This **Friday, 15th May**, will be **Crazy Sock Day**. Remember you can take some of the socks your children already have and get them to be creative with their designs—their socks will then be unique to them—and no one else will have anything like theirs!!!

Then the **Book Fair** will start from the **Monday, 18th**, with classes visiting the display in the Meeting Room and writing down their "wish list" to give to you. The room will be open from 2:30-3:30pm Monday to Wednesday (20th) when you will be able to come to purchase books.

Our Year 6 students will be visiting Belmont City College to spend their first Transition Day, meet some of the teachers and have their first "taste" of high school. Mrs Robinson will be supervising them there. Information about start times, etc will be sent home soon. This is for all our current Year 6 students, even if you are enrolling your child in a different school for 2027.

**Approaching Winter:** With the cold weather starting, we now see a variety of outfits which are not part of our School Uniform. We have received new stock of long sleeved polo tops and we have winter jackets available—although we are still waiting for the new stock of these. We are also happy for the students to wear a Royal Blue tracksuit from K Mart, etc if we do not have one available at school. We also ask that all students wear closed in shoes (sneakers, etc) and not slippers, boots or crocs. Thanks for your understanding of this request. Thanks to all families who have paid their fees for the year—or set up a payment plan. Your payments benefit your child through programs such as dance, swimming, online curriculum programs, sporting events and incursions and excursions. We currently have \$8 935 owing in fees and contributions. Looks like another week of beautiful weather—I hope all mums had a great Mothers' Day and made some fantastic memories with your families. Stay happy—kind regards—Stephanne Dann
