

Dear Parents/Guardians

Contributions for 2023

The Belmont Primary School Council has endorsed a schedule of Contributions and Charges for 2023. The schedule is broken into four sections to help you calculate costs that you might incur throughout the school year.

The total amount of **contributions** parents and carers are being asked to pay has been contained within the \$60 maximum set in the School Education Regulations 2000.

2023 Contributions are as follows (each child)	Years 1 – 6	\$ 60.00
	Pre Primary	\$ 60.00
	Kindergarten	\$ 60.00
	3 or more students (family)	\$150.00

While **contributions** are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding we get from other sources, including the State and Commonwealth governments. Money collected will be used to supplement school expenditure in the areas listed below.

Areas of use of contributions per child are shown in the table below: A summary sheet will be sent home at the beginning of 2023, itemising charges for each year level.

Items for Personal Use – (Previously called “Booklist”)

The charge for **Personal Use Items** will vary from student to student and includes:

Pupil requirements (required for all lessons) stationery items, calculator etc.
Pupil requirements (recommended but not essential for all lessons) eg: tissues, art shirt, library bag etc

All students will be given a list of personal use items which they require on a day-to-day basis. Suppliers of items is a parent's choice, though experience has shown that 'cheaper' items available through some suppliers are of inferior quality and do not 'last the distance'. We have found that 'quality' brands are more serviceable and save parents / carers money in the long term. Please consider this when making purchases. Our packs are available through **Officeworks** who have established a community partnership with Belmont Primary School. Ordering through Officeworks will be online.

Your child will need to have the listed materials each school day, so it may be necessary to replace some items, such as pencils, glue sticks, etc, throughout the year.

Other Costs – Optional

- Whole School Activities - to raise funds for special projects eg: Dress Up Days
- Ongoing fundraising for specific projects run by our P & C / School eg Spellathon / Fun Run
- School Photos (Class and individual)
- Book Club/Book Fair is organised by P&C and children have the opportunity to order twice per term.

School Bank Account Details: BSB 066040 Account Number - 19901797

Please include your child's surname when making a bank deposit and a description of the item that you are paying. Eftpos facilities are also available at the school for your convenience. Payment plans are also available.
