**Quote of the
Fortnight**

“Do something today that your future self will thank you for.”

Dear Parents and Caregivers,

Thank you for your support and assistance throughout Term 2—where did this term go?

It's been a really smooth term, and the children have been really settled and happy to be at school—along with the increased independence as they got themselves to class. I know that it was hard for some parents to leave them at the front gate, but the kids have really benefited from this change. The teachers have also commented on how smoothly classes settle and are ready for work in the morning.

As for 3rd term, I still don't know what the requirements will be, but considering things can change so quickly (take, for example, the cases in Melbourne) I will endeavour to notify you through Connect if I receive any updates during the holidays to our current practices.

Reports: Thanks to the teachers for the work that goes into writing these reports. They, too, were a little different, with no A-E grades due to the break in school attendance due to COVID requirements. Please note if a teacher has requested an interview, and arrange a meeting with your child's teacher for 3rd term. This is so we can work together to best meet the needs of your child, and

help them achieve to the best of their ability. As a parent, you have extra information about your child which will help the teacher prepare for, and cater to, your child's abilities.

If the teacher did not request an interview, but you would like to meet with your child's teacher, please feel free to do this by negotiating a meeting time with the class teacher.

Contributions and Charges:

Remember that these assist us in planning for extra resources and programs within the school—every dollar helps. I was looking at a finance report the other day, and we currently have \$13 811 in unpaid fees and costs towards our extra-curricula programs. Letters went home yesterday in regards to the Dance program we run in 3rd Term, through Footsteps company. If you are finding that \$50 in one hit is out of your budget, we are happy for you to arrange a payment plan to cover this cost (it works out \$5 a week) Swimming is planned for 4th term—this note will go out later in 3rd term.

Remember, all those families who have paid their fees go into a draw for a bike, kindly donated by Ms Cassie Rowe, our local member. This will happen in Week 6 next term.

Farewells: At the end of this term, we have had to say “Goodbye” to two of our staff members—Mrs Marisa Plumb (Education Assistant) and Ms

Jenny Frampton (AUSLAN teacher) AUSLAN will not continue for 2nd Semester, but it is planned for teachers to cover this area through an App, to ensure that the students continue to learn how to sign.

We wish Mrs Plumb a wonderful retirement, and best wishes to Ms Frampton in her other schools.

Holidays: Have a safe and happy holiday, everyone. If you are going away from Perth, travel safely and I hope the weather stays nice for your break. Enjoy your time with your children—they grow up so quickly and you can't turn back time.

To all the staff at Belmont Primary School—thank you for another great term—remember that you, too, need to relax and enjoy your break—and remember to stay “Happy”.

Until 3rd Term.....

Stephanne Dann.....Principál
