Dear Parents/Caregivers,

Thank you for another smooth start to our 2nd Term. It was great to see so many smiling faces when I opened the gates again last Wednesday—the smiles from the parents were even greater!!!!

It's a fairly quiet term this term now that NAPLAN has moved to 1st term and our swimming lessons are also done and dusted. Our next big whole school event is our Dancing lessons for third term. These will be held each Tuesday, with all classes rostered for 40 minute lessons (including our Kindy students) These lessons will culminate with our Dance and Arts Performance on the 19th September, starting at 6:00pm. If you haven't already done so, to lessen the financial load, you can start paying off the Dance costs over this term. Thank you to all families who have already paid for these lessons—for new parents, our performance night is one of our highlights for the year.

Swimming—Interschool— last Monday, under the supervision of Mr Young, 4 students attended the Interschool Swimming Carnival. From all reports, they performed admirably and were fantastic ambassadors for Belmont Primary School. Thanks to Mr & Mrs Crabbe for your assistance as parent volunteers, and a big congratulations for our representatives. Belmont received the Handicap trophy - fantastic effort!!

Assembly—I really enjoy whole school sing-a-longs and especially when we sing the old fashioned fun songs. I'm hoping that we will be able to have a few more opportunities to all sing together. Thank you, Ms Alban. My thanks, also to Imogen and Nancy for taking the lead and organizing the speaking parts with only half an hour before the assembly. Qualities of good leaders!

Furniture Donations—We have been very fortunate to receive some new desks and chairs for our teachers, along with a board room table and chairs, office chairs and table, fridge for room 1 and various other small items from "Ethos Energy" and organized by Ms Leanne Moser. The company had moved from Belmont to the city and we received this wonderful donation as part of their move. Thank you so much. With new teacher desks, we now have the "old" desks available if you would like one—you will need a trailer. We also have 5 student computer desks which can be dissembled if anyone would like a study desk for home. Please let the front office know if you are interested.

P&C—AGM—thank you to all new and old parents who attended the P&C AGM yesterday afternoon. My sincere thanks to Ms Trigger and the 2023 Executive for your contributions and support of our little school. I'm looking forward to working with the new P&C committee and parents throughout 2023. I will be organizing a workshop with WACSSO for parents to attend and find out more about the roles and functions of the P&C. I will send out a Connect Notice when I have managed to finalise this. It will also provide an opportunity for parents to see further information first-hand.

Rain this weekend—time to pull out the winter clothes.

Bassa Interschool Swimming Carnival

Mr Young, Mr Crabbe and Mrs Crabbe took a small band of students to Aqualife on Monday 1st of May to participate in the BASSA Interschool Swimming Carnival.

It was a perfect day for swimming and our students acquitted themselves well, with Flynn in particular coming home with 2 firsts and a third place ribbon.

We got a lovely surprise during the awards presentation - our students had done well enough for Belmont to win the Handicap Trophy!

Thanks again to Mr and Mrs Crabbe for their assistance and support, and a big thank you to Mrs Piani from Kewdale Primary School for organising the event.

P & C News

P&Cs are an important part of a school community. Your P&C gives you the opportunity to have a say in what events are run, how fundraising money is spent, and to discuss and contribute to issues of relevance to students at Belmont Primary School. Keep an eye out for meetings, every-one is welcome.
