- Birthdays for everyone—we've all got a year older!

I don't think a week went by when we didn't have something on—whether it was whole school or individual class activities.

So when your kids answer your question "what did you do today" with "nothing", you can see how busy we have been.

We have been so lucky to have formed partnerships with local Members of Parliament (Mrs Cassie Rowe), Councillors, City of Belmont, Officeworks, St Johns, Craig Care, and surrounding schools in our network.

Our P&C has been re-ignited through the work of Mrs Trigger, and her crew—Tabitha, Tammy, Olivia, Jana and anyone else I have missed. It's been great to see this enthusiasm to work for, and with, the school. Thank you, everyone.

Staff and class allocations / formations will be emailed via Connect before we return to school on the 31st January.

To all our students and parents who will be leaving and venturing to new schools, I wish you all the best for all that the future may hold for you. I hope that you hold a special memory of our little school in your hearts.

To all our students and parents who will be staying with us next year, I'm looking forward to doing more fun and exciting things over the year.

It's great to watch how kids develop—not just physically over the year, but also in maturity and socially. The students who started Kindy the same year that I started at Belmont Primary School, will be our Year 6 students next year—where has that time gone!?

Last, but not least, my sincere thanks to all my staff for your commitment to the students, to the ethos and values of the school, and your continued support

To those staff members taking some leave next year, enjoy your break, relax and come back revitalised.

To everyone—have a safe and relaxing holiday and enjoy your family time.

A Merry Christmas and a Wonderful New Year to you all.

Stephanne Dann—Principal
