◆ Friday 3 July

End of Term/Semester

Dear Parents/Caregivers,

Congratulations! We made it! What a long and busy term we have all had and I get the feeling that everyone is ready for a well-deserved holiday.

I look back at what we have done over the term and I know that the school is always busy with something happening.

Our Year 5/6 students have been involved in weekly Drama classes from Mr Simkin, BCC, over the term. I know that he was impressed with the acting abilities of this group. The Year 6 students also spent a day (with Mrs Robinson) at Belmont City College as a taste of what to expect in 2027.

Our Book Fair was a huge success for our little school with money raised to buy some books for our library. Thanks to everyone who made a purchase over the three days—I hope the children enjoyed reading the books they selected. Books open the windows to so many new and wonderful characters and places. Book Week will be celebrated in Week 6 of 3rd Term, with the theme, “Symphony of Stories” which celebrates how different stories, voices and characters blend together to create one harmonious whole—like instruments in an orchestra, or voices in a choir. I wonder what wonderful costumes you can create to match the theme of Book Week?

Our little Choir auditioned to perform at the Principals’ Conference in September, and were so fantastic, that they were selected—they will be one of three schools to present at this conference. I am so proud of all our students, as I know Ms Fonty is! More news of this event over 3rd term.

Mrs Waters organised some more Incursions for Science, including “Wee & Me” and a visit from Zanetta. I know that Mrs Waters has more incursions and activities organised for 3rd term—including her Paper Plane competition and Dress Like a Scientist Day. It was great to see so many parents take part in this competition last year—start planning and designing your planes, parents!

We had several dress up days—crazy socks, topsy turvy day and Pyjama Day (that’s my favourite), along with the fantastic costumes from our different cultures on Harmony Day. Our Harmony Evening event was awesome with parents joining in the activities and providing us with a fantastic smorgasbord of food from all over the world. Thank you to all parents who helped make this a fantastic event—so much so, that it will become an annual event. Seeing everyone dance to “Nutbush” was a wonderful way to end the evening.

So many more events are planned for next term, including, NAIDOC week, School Photos, Dance lessons, Science Incursions, Book Week, St John Incursion, visiting students from Japan and some more fun days.....stay tuned. The third term planner will be sent home via Connect at the beginning of 3rd term.

Third term will see some staff changes with Ms Lintern and Mr Cotton saying “farewell” Thank you both for your contributions to our school—you will be missed—and all the best for all that the future now holds for you. Miss Blitz will be with Room 3 full time and welcome back, Ms Hibbert.

I wish you all a wonderful holiday—stay safe and continue to make wonderful memories with your family. Thanks for continuing to be an awesome school community. Kind regards—Stephanne Dann

Winter Carnival

Belmont Primary School is incredibly proud of our Year 5 and 6 students who represented our school at the Winter Carnival on Friday, 26 June 2026. Led by Mr Cotton and Mrs Obeida, our team competed at Peet Park against five other schools and went through the entire day undefeated.

Beyond their outstanding results, our students were exemplary ambassadors for Belmont Primary School. They demonstrated excellent sportsmanship, showed friendly respect towards students from other schools and the umpires, and represented our school with pride and integrity throughout the day.

What made this achievement even more impressive was the students' versatility and willingness to embrace a new challenge. Less than a month ago, the team had never played tag rugby before, yet they quickly developed their skills, collaborated exceptionally well, and gelled as a team throughout the competition. We are so proud of Aiva, Aria, Brooklyn, Dendrel, Nathan and Sophia.

We would also like to extend our sincere thanks to Em, Caiden, SJ and Tiny from Carlisle Primary School, and Hunter from Cloverdale Primary School, who kindly joined our team. They embraced the responsibility with maturity, positivity and continuous effort, making a valuable contribution to the day's success.

Congratulations to everyone involved on a fantastic achievement. We hope to see Belmont Primary School return to the Winter Carnival next year, and we wish next year's team the very best of luck as they continue this wonderful tradition.

Mr Cotton.

THANK
YOU

Thank you, Mr Cotton for your coaching and leading our team to a wonderful day of success, and to Mrs Obeida for being there to cheer them on and support them. Well done, team—what a resounding day of success!

So proud of all of you.....Ms Dann

Happy Birthdays in July
