Dear Parents/Caregivers,

It looks like Winter is settling in—which is a good thing for our Pyjama Day next Friday, 5th June. I hope we see lots of children, and staff, in their pyjamas to join in the fun. I look forward to this day—what a great way to spend the day!

**Book Fair:** Thanks to all parents and carers who took part in our Book Fair and purchased some great books for your children. There's nothing better than reading a "real" book—and it's great to see so many children eager to read.

We will let you know how much we made from the sales soon. This amount will go towards purchasing more books for our Library. What a great effort for our little school. Thank you!

**Choir:** Last week our Choir auditioned in front of 2 special guests to gain a place to perform at the Principals' Conference in September this year. And they were so good that they were chosen as one of only 4 schools to be selected for this performance. What an honour!—and what a great experience for our students. They will be performing at the Crown in front of about 600 people, which is a great way to showcase our wonderful choir! More information will be forwarded to you once we have selected the 30 children who will be part of the performance (unfortunately, Crown's rules are strictly only 30 children on the stage). We have lots of practice before then so I know they will amaze everyone in the audience. I am so proud of all the children and Ms Fonty! Thank you!

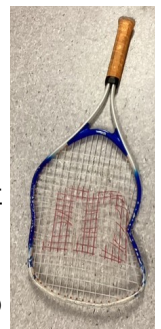

**Assembly:** What a great performance from our little ones this morning—they were amazing! Well done, everyone—including Ms Drake and Miss Schier—for your performance. It is also great to see the numbers in our early childhood area grow, which will be great for the future years at Belmont.

During the assembly, I did have to announce some sad things that are happening around the school at the moment. For those parents who weren't at the assembly they included:

An increase in the number of children being "mean" to each other in playgrounds, and an increase in the use of "bad" language.  
Drawing on the hallway walls and other areas of the school.  
Destroying school equipment where it can no longer be used.  
The amount of litter around the play areas—children are just dropping rubbish on the ground—even when they are close to a bin.  
Going into the staff room when no-one is around.  
And.....some boys still using the paper bins in the toilets to "wee and poo" in! Not nice and I'm sure this is not done at home.

I have noted these things so that you, the parents, are aware of some of the incidents that are occurring at the moment, and will assist us by talking to your children about respecting others, self and property. We do know that these incidents are being done by only a few of our students—and the majority of our students are following school rules and doing the right thing.

Enjoy the long weekend—if you are travelling away, stay safe and drive carefully. See you back on Tuesday. Kind regards—Stephanne Dann
