Science—Mrs Waters—Thursday

Music—Ms Fonty—Friday

Phys Ed—Mr Hevron—Friday

MCS—Mrs Fitzpatrick

School Officer—Mrs Westcott

Library Officer—TBC

Chaplain—Mrs De Lima

Dear Parents/Caregivers.....Welcome Back!

What a wonderful start to our new school year, we have had. Everyone has settled back quickly to their class routine, and reconnected with their school friends. We are an awesome school with awesome students and staff and fantastic parents. Thank you, everyone, for making our school the best school!

To all our new families, and our new Kindy students who are now starting their learning journey, I hope that you have settled in already and made to feel very welcome to be part of our school community. Remember that my door is always open if you need to come and have a chat or need any clarification on certain school operations. Over the next few weeks, I would like to see if we can organise a “meet & greet” for both new and old families—and then look at ways that we can work together to benefit the students at our school—more news on that soon! We also need a couple more parents on our School Council to add to our parent representatives. Our meetings are held once a term and are held from 1:45pm—3:00pm. so that you don't have to worry about coming out at night which is usually a busy time for families. You are also here to pick up your children after school. Meetings are currently held on a Thursday afternoon. Drop me a line, or come and have a chat if you are interested.

Welcome to all our new staff members—it's going to be an awesome year with lots of fantastic work being done in all classes. We may be a small school but we are all here to work together and be the best “me” that we can be!

Class/Parent Information Sessions: These will be held in **Week 3** from 3:15 to 4:00pm. The days for each year level are as follow:

Monday— Room 4; **Tuesday**— Room 7; **Wednesday**—Room 3; **Thursday**—Room 1

During these sessions you will get to know what will be happening in your child's class; the areas they will be covering in different learning areas; their specialist teacher times (DOTT) and any other areas you would like information on. Remember it is not an individual interview time but you can arrange a meeting with the teacher during their DOTT times if you would like a one-on-one meeting.

Faction Sports: All classes from Year 1 to Year 6 will be involved in their Physical Education lessons on Fridays from now on, and culminating in whole school sport on Friday afternoons. Mr Hevron will continue in his role as our PE teacher. It would be fantastic to see all the students in either their Red (Phoenix) or Green (Griffin) polo shirts on Fridays—K Mart have polo shirts out for about \$5 each—a bargain! It was great to see students in their Faction Polos on our first day back—now we have to remember to wear them on Fridays instead.

Term Planners: These will be going home soon as a paper copy so you can put them on your fridge to keep track of the events that are coming up this term!

Have a great weekend—it will be cooler, so enjoy.

With kind regards—Stephanne Dann
