

Belmont Primary School Mobile Management Policy

Communication to parents or care givers during school time of any and all issues, relating to all students, is the responsibility of the school and will be managed by the school.

Mobile phones can be an effective means of communication between parents and their children before and after school hours; however, during school time they are a distraction to students and affect learning.

While there may exist a need for students to carry a mobile phone on school premises, their use is to be governed using the guidelines below:

Guidelines for students having a mobile phone on the school premises

- 1) Sole responsibility for phone security lies with the owner of the phone.
- 2) Phones are to remain 'turned off' and given to classroom teachers at the beginning of the day and left in the teacher's desk.
- 3) Phones being used during school time 8.45am – 3pm will be sent to the Principal or Deputy Principal and will be available for collection, by the parent, from the office.

Parents are asked to sign the acknowledgement below to indicate they have read and understand the management policy as it relates to students with mobile phones on the school premises during instructional hours. Please return the acknowledgement, signed, via your child's teacher.

Thank you,

PARENT/GUARDIAN ACKNOWLEDGEMENT

Please complete and tick one

I have read and understand the Belmont Primary School Student Mobile Phone Policy.

I have read and understand the Belmont Primary School Mobile Phone Policy but would like to be contacted to discuss the policy further.
