Term 2 Recap

**Tuesday
17 July**

First Day Term 3
Students

**Quote of the
Fortnight**

DO
WHAT
MAKES
YOU
OH-SO
HAPPY

Dear Parents and Caregivers,

Thank you all for another wonderful term—as stated in last week’s newsletter, we have managed to fit in so much over the 9 weeks.

Reports: I hope you all sat with your children and went through their reports with them—acknowledging their achievements and discussing the areas that might need some extra work. I enjoy reading all the reports, and I particularly enjoy the next reports at the end of the year when I can see all the progress and improvements the children have made.

If you missed out on an interview time, please remember that you can negotiate with the class teacher to arrange a time to meet during the next term. All teachers have 4 hours of DOTT (duties other than teaching) where they are available to meet with parents. This can be organised directly with your class teacher.

Third Term: A Term Planner has been sent home today—put this on your fridge to know what events and activities are planned for the term.

Our Dance lessons start on the first Tuesday students return (17 July) and continue every Tuesday

for the term, culminating in a Dance and Showcase Event on the 18th September. More information about this evening will be forwarded over the term—but highlight it on your planner now!!!

An Incursion Form for Dance will go home today. As this is provided through a Dance company, there is a cost involved. Please pay this as soon as possible, or make arrangements with the front office to pay it off over the term. As this is part of our Curriculum, all children will be taking part in the Dance program.

Farewell to Mrs Butterworth:

The staff and students wish Mrs Butterworth all the best for her new adventure. What an exciting time welcoming a new baby into their family—I’m sure that Mrs Butterworth will enjoy this next chapter of her life—and hope that she brings her baby to school for a little visit!

In Mrs Butterworth’s place, we will be welcoming Miss Irvine to work with Room 9 on Monday, Tuesday and Wednesday. Mrs McDonald will continue her role in Room 9 on Thursday and Friday. Mrs Baxter will be returning full time in Room 7

Have a wonderful break—stay safe and happy and I look forward to seeing you all back here on Tuesday, 17th July.

Stephanne Dann.....Principal

Academic Awards

Academic Achievement Awards

Congratulations to the following students for receiving certificates at this mornings assembly.

- Omid K Kindy
- Ari L Pre Primary
- Amy C Year 1
- Lachlan W Year 2
- Cooper T Year 2
- Roman L Year 3
- Sarah M Year 3
- Kenzy G Year 4
- Elaina L Year 5
- Lucy F Year 6

Consistent Effort

- Lucy J Pre Primary
- Trisha S Year 1
- Ffloyd M-S Year 3
- Isabella M Year 3
- Sheza K Year 6

Class News

Year K/PP—Room 1

In Room 1 we have been having fun practicing for our assembly. We are looking forward to the school holidays.

Our vegetables we planted are growing well.

Year 1/2—Room 3

Room 3 have been learning about materials in Design Technologies. We have been investigating how some natural resources can be turned into constructed objects.

Year 2/3—Room 4

Sadly Room 4 is going to lose our visiting teachers. Miss Hocking's time with us has

been great. We have learnt a lot about maths, history and geography with Miss Hocking. We hope you have good luck in your future as a teacher!

Thankyou Miss Hocking and Miss Jafferalli for sharing your time with us.

Year 3/4—Room 7

The Year 3/4's have been learning about angles and how to use a protractor in maths.

We have been learning about sustainability and conserving the earth's natural resources in Geography.

We had a great time at our tree planting excursion this week.

Year 5/6—Room 9

Term 2 has been very busy and we are ready for holidays.

We had a great time competing at the Winter Sports Carnival. Thank you to Mrs McDonald for organising everything.

We are looking forward to meeting our new teacher, Miss Irvine, who is replacing Mrs Butterworth.

Milo Sample

As a School Cricket Ambassador, I had the opportunity to receive a FREE sample of MILO for each student in the school, courtesy of the Western Australian Cricket Association.

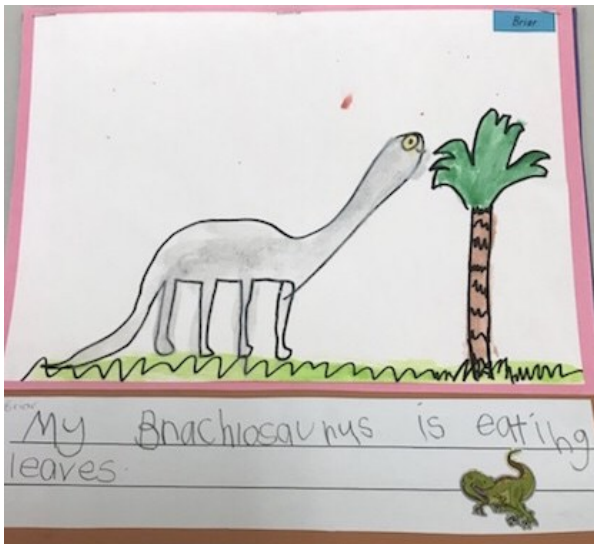

The chilled MILO will be distributed this afternoon, for students to take home and is best consumed cold. Please check the label for ingredients and allergy information.

Have an active and safe holiday!

Melissa McDonald... Yr 5/6 Teacher
