First Day Term 4  
Students

**You're off to  
Great places!  
Today is your day!  
Your mountain  
is waiting, so...  
Get on your way!**

- Dr. Seuss -

## Dear Parents and Caregivers,

Thanks to staff, student and parents for another great term. We must be having fun because the days and weeks are just zooming by. I think someone said that their were only 6 pays before Christmas!!!!

### Presentation Night:

Congratulations to all the students on their wonderful performances on Tuesday night. I was so impressed, and very proud, of all the dances and the music items. Thank you to all family members who attended our Show Case night—I'm sure that you will agree that we have some very talented students here.

A big Thank You to all parents, staff members and friends who assisted with the Sausage Sizzle—your support is greatly appreciated by all of us.

### 3rd Term Roundup

We've had a very busy term as you will see looking at all photos in this newsletter of events held this term.

I have included the Term Planner for 4th Term with this newsletter. Once again, you can see that we have a very busy term planned including our swimming lessons, Interschool Athletics carnival, various class

excursions, Graduation week and our final Assembly and End of Year Awards!!!

### Swimming Lessons:

Thanks to all families who have already paid for these lessons. Lessons will be conducted in Weeks 3 & 4 and a note will be sent home at the beginning of next term outlining which lesson times the classes will be attending, and the general organisation during these two weeks. Remember, these lessons are free and you are only paying for pool entry and the bus fare. To be able to swim, and learn water safety, ensures that our long, hot summers can be enjoyed around water areas.

### Interschool Athletics Carnival:

Mrs McDonald will be organising competitors for the Interschool Carnival and will send this information home at the beginning of 4th Term.

### Quiz Night:

A big "Thank You" to all wonderful parents and their helpers for the running of this night. I know I had a good time (even though some of the jokes were hard to listen to!!), and although we didn't win, we were able to answer most of the questions. These events involve a lot of people assisting in the background, and your efforts ensured that this event was a very successful one. A special "thanks" to Nana Ros for all her

organisation and her continued support of our school.

**NAPLAN Results:**

Our Year 3 & 5 students will have taken their NAPLAN results home by now. Remember this is a one-off test, but if you have any particular concerns, please have a chat with your child's teacher to see if their results reflect the work they are doing in class activities. Teachers will be using this data to focus on the areas of need and to also celebrate the areas we have done well in.

**Survey:**

Information in regards to a National Survey will be sent home at the beginning of next term. The responses from parents also assist us with our planning and focus areas, so I hope that we get a lot of responses and returns this year. The last survey was done in 2016, so it will be good to compare data received then, and see if we have improved in the areas of concern over the past two years!

**Holidays:**

Enjoy your holidays—take care and stay safe—remember, we want to see you all back here on Tuesday, 9th October, looking refreshed and ready to finish off 2018.

All the best.....

*Stephanne Dann.....Principal*

**Best Wishes:**

Ms Hoare has been on leave since last week and we wish all her best on her recovery. Ms Hoare will be reducing her work time to three days next term—Monday to Wednesday—and Miss Irvine will be taking her class teaching role on Thursday and Friday in Room 4 for 4th Term.

Miss Irvine will continue her role in the Year 5/6 class on Mondays to Wednesday.

## Sports Awards

Congratulations to the following students for receiving certificates at this mornings assembly. This term, our awards acknowledge Sportsmanship and Athletic Ability. I know Mrs McDonald has had a difficult time deciding the recipients of these awards which are based on participation during PE classes, along with Sporting Carnivals.

Congratulations to all our recipients.

**Sportsmanship**

- Raizel Pre-Primary
- Shiloh Year 1
- Jayden Year 2
- Jackson Year 4
- Koal Year 5

**Athletic Ability**

- Tyler Pre-Primary
- Andy Year 2
- Cooper Year 2
- Isla Year 4
- Sharna Year 5
